

STATEMENT FOR PUBLIC INSPECTION
SCHOOL HEALTH PROGRAM

The Electra ISD Board of Trustees has established a local School Health Advisory Council to assist the District in ensuring that local community values and health issues are reflected in the District's health education instruction. The council met three times in school Year 2006-07 on Oct. 25, 2006; on January 17, 2007; and April 11, 2007. Policies adopted by the Board of Trustees that address health issues are:
